

Stay ahead of the evolving biofuels market with trusted daily pricing, news, and market insight.

## Your single source for transparent, daily biofuels pricing and expert coverage.

The OPIS Biofuels Daily Report gives market participants the data and context needed to navigate the complexities of the U.S. biofuels landscape. Delivered through OPIS Context — our customizable, web-based platform — this service helps you monitor prices, track regulatory changes, and anticipate trends with confidence.

### Market Challenge

The biofuels sector is shaped by shifting policy, regulatory uncertainty, and logistical hurdles — making it difficult to stay informed and compliant. Without reliable price discovery and trusted analysis, market participants can struggle to make strategic, informed decisions.

### How We Help

The OPIS Biofuels Daily Report provides daily spot price assessments and comprehensive market coverage to support operational, compliance, and trading strategies.

### Benefits

- ✓ Access daily U.S. spot price assessments for key biofuels, including ethanol and biodiesel
- ✓ Monitor evolving clean fuels regulations and market fundamentals
- ✓ Streamline decision-making for trading, procurement, and compliance teams
- ✓ Discover trends, arbitrage opportunities, and market-moving developments
- ✓ View all insights through **OPIS Context**, our powerful, interactive data platform

### Who We Help?
