Why Sponsor?

Gain a competitive advantage

By showcasing your companies' unique benefits, products, services and value proposition you can position yourself as a market leader and innovator, helping to gain that critical competitive edge needed in today's business environment.

Solidify existing customer loyalty

A sponsorship at the **2nd Annual OPIS Canadian Carbon & Biofuels Forum** is the ideal way to keep your brand, products, and message in front of your current clients – reminding them of why they choose to do business with you initially and positioning your brand as solid, stable and here to help – not just today, but tomorrow and for years to come.

Build brand awareness on a global scale

Drive sales and expand your customer base by networking with attendees from every region of the world who'll be participating in the Forum. These customers and prospects are seeking solutions to their operational challenges – how can you help?

Force multiplier for sales efforts

Consider the investment in both time and travel it would take for your sales teams to meet with over 200 current and potential customers – the Forum brings those decision makers together in one location for you and your sponsorship places your brand in a position to capture mind and market share in what will be the best sales opportunity of the year.
