

OPIS

A DOW JONES COMPANY

McCLOSKEY

Important Notice:

Effective June 29, 2026, McCloskey by OPIS will discontinue the standalone Thermal Coal Daily and Weekly Rationale Reports. Assessment rationale and supporting market commentary will continue to be published within our client platform under the relevant market round-up and assessment publications, with no changes to methodologies, specifications, publication schedules, or price assessments.

We invite you to complete our short survey to help us better understand your pricing reporting needs: <https://shorturl.at/tucrH>
